

What is Community Engaged Learning?

- Partner with local and international organizations to mobilize knowledge and exchange resources
- Address critical societal issues
- Promoting students' sense of civic engagement and social responsibility
- Extends Western's reach beyond campus

Why would you get involved with CEL?

Community Engaged Learning works with you to...

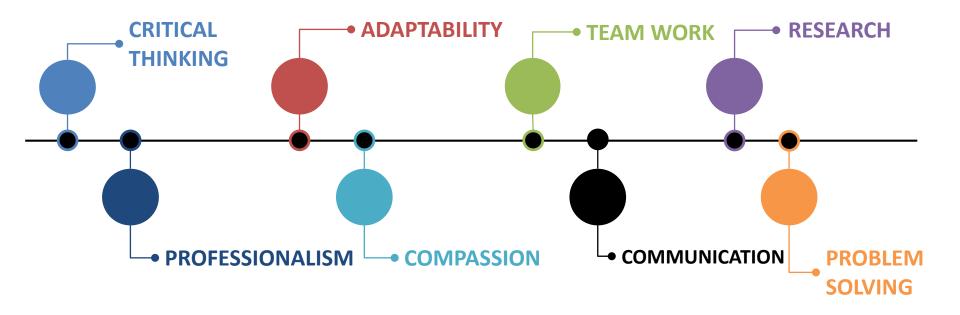

Skills and competencies developed through CEL

Varies from student to student, experience to experience...

How can I benefit community?

Building Capacity Through Meaningful Partnership

What does curricular CEL look like?

 2 to 4 hours per week for 8 to 10 weeks per term

• 2 to 6 students per group

 Produce an educational deliverable defined by the community partner

What does curricular CEL look like?

 2 to 4 hours per week for 8 to 10 weeks per term

Mostly individual, some small groups

 Students are off-site at the organization fulfilling a specific need and/or completing a project determined by the community partner

What is expected of CEL students?

What is expected of CEL students?

Student and Community
Partner Expectations Agreement

Subsections:

- 1. Defining the Players
- 2. Setting the Terms of the Engagement
- 3. Defining the Project
- 4. Creating a Project Plan

What is Reflection?

• "The ability to step back and ponder one's own experience, to abstract from it some meaning or knowledge relevant to other experiences."

(Hutchings & Wutzorff, 1988)

- Reflection supports learning outcomes by expecting students to:
 - make astute observations
 - consider multiple viewpoints
 - > question their values, assumptions, and beliefs

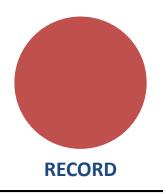

Reflection can assist students with...

How can I become more reflective?

How can I become more reflective?

Community Engaged Learning at Western

Opportunities to Get Engaged With CEL

CEL Courses

Integrates course learning objective with placements and projects in the community for mutually-beneficial outcomes.
